JESUS TELLS HIS FOLLOWERS TO LOVE ONE ANOTHER

(Jerusalem) — Jesus was teaching his disciples (followers) how to live in God's family. He told them that his Father in heaven loved him very much. That was why Jesus loved his followers.

Now Jesus was telling his followers to do the same thing. They were to love one another, the same way Jesus loved each one of them.

How can we love one another? Jesus told his followers that sometimes loving one another can be hard to do. He said that if we really love one another, we may have to lay down our lives for one another. Jesus might have been thinking of his own death on the cross when he said that.

Jesus knew that sometimes peopole forget to love other people. We may not even remember to love our friends. That is why he commanded us to love.
