

JESUS DISAPPEARS! JOSEPH AND MARY PANIC!

(Jerusalem) — Jesus was only twelve years old. He and his parents had come from their small town of Nazareth down to the big city of Jerusalem to celebrate Passover. Passover was a special festival. People would visit the Temple in Jerusalem, and then eat their Passover meal together.

When Joseph and Mary were ready to return to Nazareth, they could not find Jesus. They were worried because Jerusalem was a big city and a little boy could get lost there. They searched for Jesus everywhere. They were worried and angry. When they found him, he was in the Temple, talking to the wise church leaders. The wise men in the Temple were amazed at how much Jesus understood. Joseph and Mary took Jesus home.
